RELAX...REVIVE..REJUVENATE

Photo by Alin Bijan, Media World Television

Terracing along the banks of the beautiful San Juan River in Pagosa Springs, Colorado at the base of Wolf Creek Pass lies The Springs--Hot Springs Resort offering 17 hot mineral soaking pools to choose from. All pools contain the natural, mineral-rich waters from the famous Great Pagosa Aquifer...the world's largest and deepest hot mineral spring. Pool temperatures range from 83 - 114 degrees (F). Visitors from around the globe have journeyed to these famous waters over the centuries to experience their legendary curative powers. Today's travelers come to relax in these ancient healing waters after a vigorous day of skiing, backpacking, golfing or simply to relieve the tensions and stresses of everyday life.

COME FOR THE DAY.....  
Open to the public all year round at 7AM, the Springs Resort is the perfect setting for a relaxing day by the river or a leisurely soak before or after a day of activities. From Spa amenities to family fun, The Springs Resort has it all!

OR COME AND STAY.....  
The Spring Resort Hotel offers Standard, Deluxe, and Grande Suite accommodations. Hotel guests enjoy COMPLIMENTARY 24-HOUR UNLIMITED ACCESS to the mineral water soaking pools. This one-of-a-kind resort experience is a *must do* on your Southwest Colorado and Four Corners travels.

TWILIGHT AT THE SPRINGS
